

# Fire protection of industrial and rustical buildings in open air museums

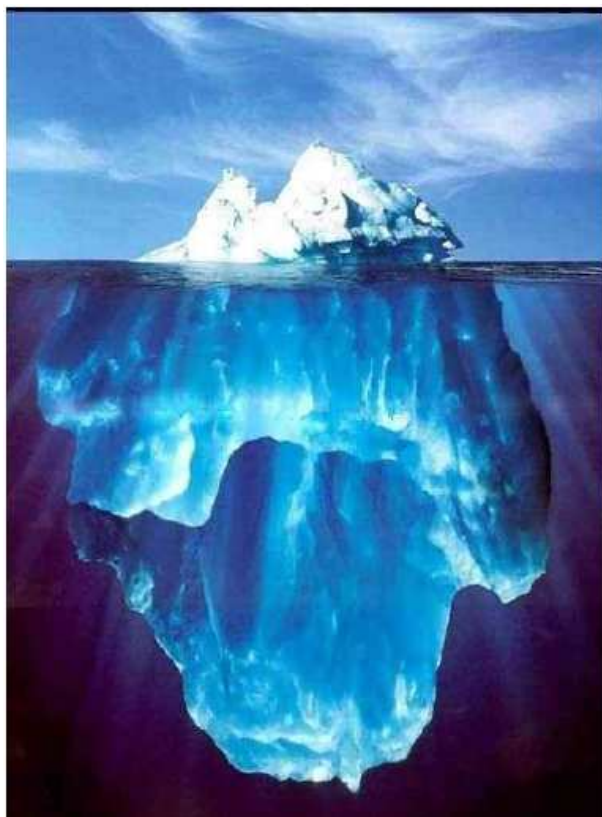

## Prevention and organization.

# Intro

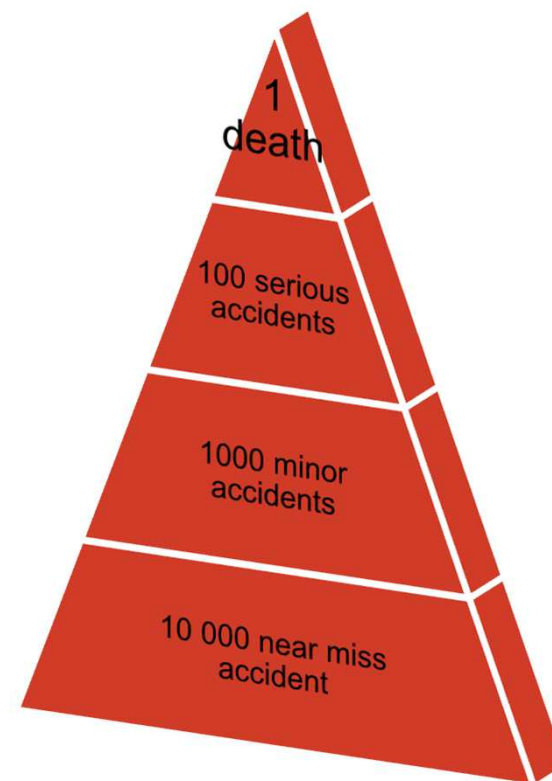

- Safety and security work is in Norway defined as «sikkerhetsarbeide»
- Norsk Folkemuseum is and foundation with several locations. The only open air museum is in Norsk Folkemuseum Bygdøy.

# Safety Pyramid

There is a correlation between the number of near miss accidents and the number of serious accidents

Heinrich 1931

# Prevention

- Knowledge

Hire the person with the right competence

Exercise on the current event that can happen in your locations

# Prevention

- Awareness

Be aware when you are at work

Look for potential unwanted events

# Prevention

- Exercise

Training and exercise, how do we do it!

Learn by doing, learn by mistake

How often do we exercise

Exchange of experience

We exercise so we can understand how things work and how it suppose to work. What if..... How....

# Prevention

- Equal understanding

Understanding the safety and security events which can happen

Understanding for safety and security throughout the organization

# Organization

- Leadership

How to raise funds for events that are not going to happen

Tormod senior leader, Tormod has and understanding for my work

I am head of security whit my competence and experience

# Organization

- Leadership

How to build an organization that is good enough to handle any event.

Fire, water damage, etc. (what can happen in your locations)

Our organization. Inspectors, night guards, security company 15. juni

# Organization

- Responsibility

I Norway is the owner of the building responsible for all of the safety and security aspect.

The owner is responsible for the users to have the right organization to handle any event

# Organization

- Ownership
- All employees in our organization feel an ownership to safety and security

# Organization

- Commitment

All employees are trained to observe potential risk

The cleaners are one of our best safety guards

# Summary

- Prevention

Knowledge

Awareness

Exercise

Equal understanding

- Organization

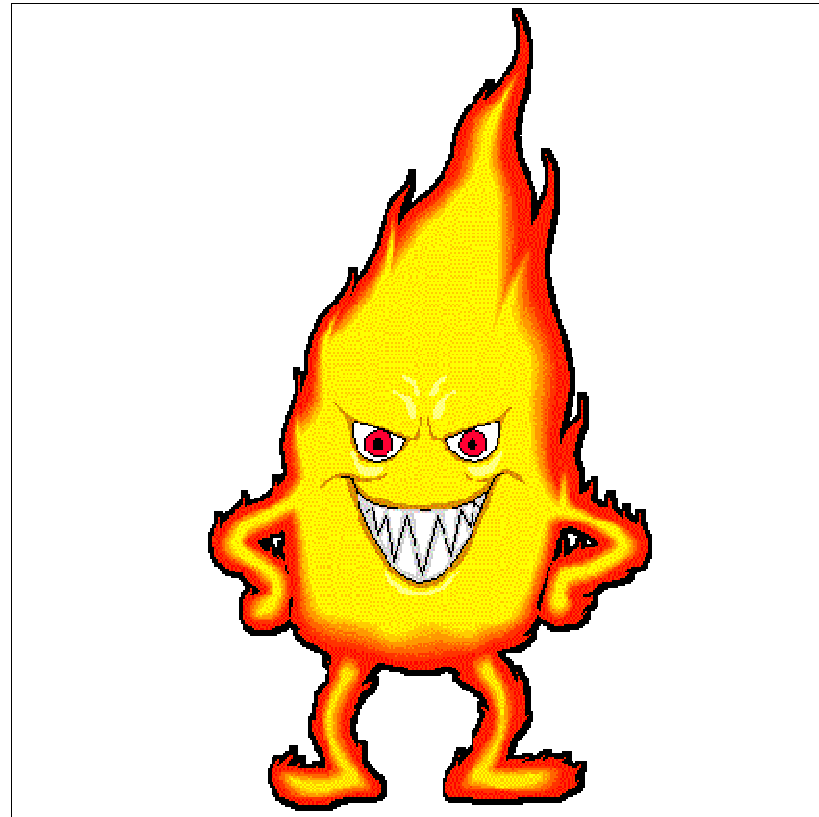

Leadership

Responsibility

Ownership

Commitment

# Questions?

*"Plans are nothing; planning is everything."*

Dwight D. Eisenhower

Thank you for your attention

Mikael Blihovde

Head of security Norsk Folkemuseum
